

July 25, 1989

Dear Tisha and Alexis,

Thank you for your recognition of my bit of support for the cause! Howard received his documents, too. He wants to return for further research.

It has been suggested that I republish my book "Voces for Independence" in Spanish. A Puerto Rican publisher has begun the task, but it's very slow. Would you be willing to translate your interview? You could update it if you wish.

Saludos -

Joan Zwickel
